

# CMPS 2010 Homework 14

*Spring 2024*

## FINAL CHEAT SHEET

Prepare a cheat sheet for the written final with the following specifications:

1. One 8½ x 11 sheet of paper, front and back.
2. Can be handwritten or typed.
3. Consider using columns and changing the page margins to fit more information on a page.
4. Any information is allowed: vocabulary definitions, code samples, diagrams, etc...
5. You are **NOT** allowed to photocopy/scan someone else's cheat sheet.
6. Must be a physical piece of paper, **NO** digital documents on phones/tablets.

To receive credit for this homework, you must show me your cheat sheet on the day of the final before you begin the test. You will be allowed to use your cheat sheet during the final.

DO NOT DO THIS LAST MINUTE! Use this as an opportunity to review the material as you work on your cheat sheet.
